On January 9, 2019, California's State Board of Education adopted new Pre-K-12 content standards for **Dance, Media Arts, Music, Theatre, and Visual Arts**.

Join us on March 20 to learn more about the California Arts Standards (CAS), including the structure, format, and instructional shifts from the current VAPA standards. We will also explore connections to the other content areas.

We will be joined by Letty Kraus from the California Department of Education. Letty is the Education Programs Consultant for the Curriculum Frameworks and Instructional Resources Division and has been instrumental in guiding both the Standards and Framework Revisions.

All attendees will receive a spiral-bound copy of the new standards.
