Tulare County Arts Network 2017-2018 Meetings

The Tulare County Arts Network (TuCAN) is a professional learning community created to promote the arts and arts education throughout Tulare County. TuCAN is comprised of arts education providers, such as classroom teachers, arts specialists, administrators, arts organizations, and teaching artists. Additionally, business and civic leaders, community members, and all champions for arts education are encouraged to attend. TuCAN meets monthly to discuss best practices in arts education, learn about the latest arts advocacy efforts, and to network as educators and supporters of the arts.

General topics for TuCAN include:

- Updates on the Tulare County Arts Master Plan
- Resources from state and local arts advocacy organizations
- Share and tell best practices from the field
- Roundtable discussion on arts-related topics
- Small group breakouts for each content/discipline area

Let's get to know each other as we strive to create high-quality arts instruction for every student, in every school, every day!
