

Greetings Educators!

The Tulare County Office of Education invites your students to participate in the annual TCOE Young Authors' Faire (YAF). The purpose of YAF is to showcase a school's ten best pieces of original writing, in a variety of genres, by K-8 students. YAF is for recognition, not competition, however, exemplary works will be recognized in categories such as: Fiction, Non-Fiction, Class Book and Illustration. **Student books are typically displayed at the TCOE administration building for public viewing, however for 2022, books will be submitted digitally and displayed in a public online gallery.** We will encourage the public to read and comment on the fantastic student authored and illustrated books throughout the entire month of April.
